## HEALTH SERVICES

Dear Campers & Parents,

Welcome to the University of Wisconsin-Madison Badger Sports Camps! As a Licensed Athletic Trainer overseeing all of the health services for the Badger Sports Camps on campus, I have a few reminders and advice for your time here at camp whether it is for a few hours or several days.

As the date of your camp nears, we recommend that all campers self-monitor for symptoms of communicable diseases such as fever, chills, stuffy or runny nose, sore throat, cough, headache, muscle or body aches, and fatigue. Please do not report to camp if you feel ill.

If you completed your registration online, all required health forms are completed. You can update the forms at any time by logging into your account at [uwcamps.com](http://uwcamps.com). Please do this if you registered for camp far in advance, as health information can change. If you need to take more breaks during activity for health reasons, do not hesitate to let your counselor know.

The health services provided at camp include a large, trained health staff to quickly respond to on-site emergencies and administer medications as authorized. Health Services Staff will provide access to first aid care and supplies, water, and ice for treatment purposes as needed.

If you need to bring medications to camp, please bring **ONLY** what is needed for the length of stay. Medications must be in original bottles. Over the counter medications such as Tylenol, Advil, Zyrtec, Claritin **ARE** considered medications. All medications are required by Wisconsin State Law to be collected and administered by Health Staff for minors. They will be returned at the end of camp. Emergency medications such as inhalers, epi-pens, and insulin pumps, and diabetic supplies will **NOT** be collected. These must be with the prescribed person at all times.

When packing your bag, please remember to bring any sunscreen, bug spray, hats, or sunglasses you need for outdoor activity. These will not be provided.

Many of our camps are high intensity and the campers want to perform at their best skill level. Please come to camp prepared and continue this during camp. To help limit injury and illness, keep fitness levels up prior to camp, eat well-balanced, nutritious meals, stay hydrated, rest as needed between sessions and at night, maintain proper hygiene, and take care of sore muscles with proper recovery. Play safe, play smart, follow the rules on and off the fields, and have fun!

Sincerely,

Olivia Bodway, MS, LAT  
Staff Athletic Trainer
