

WISCONSIN BADGERS

BADGER SPORTS CAMPS - RECOMMENDED PARKING & ADDITIONAL INFO

IMPORTANT NOTES

To purchase a parking pass ahead of time, please visit our UW-Madison campus [transportation services website](#). A value permit order form can be completed to purchase a daily or half-day permit for specific parking lots/garages. Please note, if you chose to order a parking permit ahead of time, please allow at least 2 weeks for processing time.

*If you chose to **NOT** order a parking permit ahead of time, due to other academic programs taking place on campus, certain lots may be full during camp. We apologize for any inconvenience, and we ask that participants allow themselves extra time to find parking.*

An interactive campus map (including all the suggested lots mentioned below) can be found [here](#). Please note the details regarding each parking location.

All participants are responsible for confirming the availability of each lot/garage prior to parking in the selected location. When you arrive on campus, all lots/garages will have signage posted regarding their availability/hours/required permits/etc.
