This may involve being dropped off/picked up from a facility other than Sellery Hall depending on the time/day of camp. Please let us know if your camper will not be coming on any day of camp.

Camp Store: A camp store will be open during check-in, at nights in the dorms, and at check-out for campers and their families to purchase Wisconsin Volleyball apparel and volleyball-related gear! The camp store will accept cash and credit cards.

What to Bring:

All campers should bring the following items:

Shoes

Spandex/Shorts

Kneepads

Gym Bag

Spending Money for Camp Store

Socks

T-Shirts

Any Medications

Water Bottle

Team Camp Theme Days: Over the past years, we started a t-shirt theme for each day of our team camps to bring all of the teams attending together individually and with our camp. This idea has been a huge hit and we'd like to continue it at this year's camp! Below is the theme during our day of camp. Our One Day teams will be joining our Overnight Team Camp teams in our all camp tournament that day. We don't intend this to add any additional costs, so please do not feel that you need to purchase anything additional/specific for camp. We wanted to make sure to provide broad themes that would be easily done by all team members without the need to feel that they have to add to their camp fees.

Theme: Team/School Color (as we will be competing this day, it's time to show your school pride!)

Cancellation Policy: Our cancellation/refund policy can be found at <http://www.uwcamps.com/faq.aspx>.

For registration, account information, or if you will no longer be able to attend, please contact us directly at Badger Sports Camps at badgercamps@athletics.wisc.edu.

WISCONSIN VOLLEYBALL CAMPS

Confirmation Packet: ONE DAY TEAM CAMP – JULY 14

Campers & Parents,

Thank you for signing up for our Wisconsin Volleyball Camps this summer. We are excited and looking forward to this - and hopefully you are as well! This is quite an endeavor. Over the course of two months, we will have approximately 2,200+ campers from 20+ states and other parts of the world. We will have more than 95 coaches from across the country to help teach "The Badger Way."

It is extremely important to me that this is a great experience. Although with a group this large I understand that 100% satisfaction is unlikely, it doesn't mean we aren't striving to be there. Every year we are trying to find ways to make things better. Below are a few things that I'd like to touch on so that you have an understanding of my philosophy.

Camp Philosophy: This is what I tell our coaches: This is not high school season and this is not a club team. This is a camp experience! We are going to teach what we know, with the understanding that skill development can take much longer than the time the campers will be here on campus. Our goal is for every camper to be safe, have fun, and learn a few things that they can carry forward with them as a player and individual. Our coaches will push them to work hard and encourage them to get out of their comfort zone, while maintaining a positive and supportive approach. I hope you understand why we feel this is the best approach for camp.

Safety First: There are certain rules that are non-negotiable. Behaviors such as sneaking out of the dorms, or other things at that level, will not be tolerated and will be immediate cause for removal from camp. We have not had this happen in the past, but we want to make sure the consequences of such behavior are clear in advance. We have many staffers that will be in the dorms, managing the bus and practice schedule, and organizing where campers should be. Attendance is taken constantly to make sure that everyone is accounted for at all times. We also hire Health Services staff in each of our facilities to assist with minor injuries or illnesses. Although not a "safety first" issue, the food the campers will be eating, well, I can't imagine a camp offering better dining anywhere than at our Gordon Dining and Event Center!

Year-to-Year improvement: This is something that is very important to us. We really try to find ways to get better every year. After each camp we send a survey to each family. I encourage you and your camper to give us your feedback. We look through every one and try to see what we are doing right and things we could be doing better. We also take a close look at our evaluations on our coaches. Coaches who don't receive great evaluations are not invited back for the following year.

I hope this letter helps you better understand our approach to camp. Thanks again for choosing the Wisconsin Volleyball Summer Camps. I appreciate the time and money you are spending in order to let your daughter/son attend. We are going to do everything we can to help make it a great experience for them!

GO BADGERS!
Kelly
